Historic 8-bedroom house with gardens for sale near Sintra, Portugal

Incredible 8-bedroom 8-bathroom villa on a large plot with historic features and furnishings, with the potential to add more living space or for conversion into a luxury hotel.

Built at the beginning of the 20th century, this historic building boasts antique and traditional furniture, painted ceilings and beautiful gardens. It offers gorgeous countryside, mountain and sea views, and is just a stone's throw from the lovely village of Sintra and Portugal's buzzing capital city of Lisbon.

Interesting features of the property include a domed living room, fireplace, a curved staircase with intricate metal railings, painted and coffered ceilings with mouldings, painted sinks, a farmhouse-style kitchen with traditional-style painted mural and an impressive courtyard.

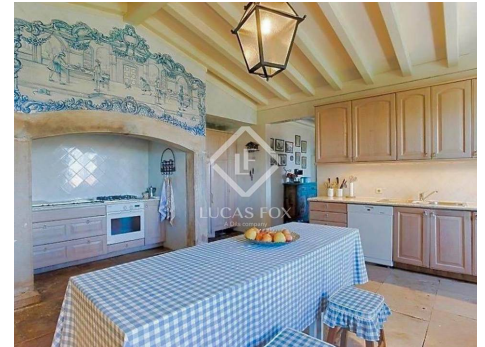

The house is distributed across 3 floors. Entering the ground floor through the entrance hall, we find the living room, lift and a shared bathroom. A glass corridor communicates the hall and the dining room. There is a kitchen, utility room, fireplace room, maid's bedroom and maid's bathroom. A corridor leads on to give access to an entrance hall in the living room. This floor has 4 more bathrooms, 3 bedrooms, a kitchen and a terrace. A corridor that leads the stairs gives access to a technical floor and garage.

On the first floor are 3 bedrooms and 1 bathroom. A door opens onto an outside upper terrace that gives access to a hall, a guest toilet, a kitchen, 3 bedrooms and a living room.

The second floor has 1 bedroom, a living room, a dressing room, a bathroom and a terrace.

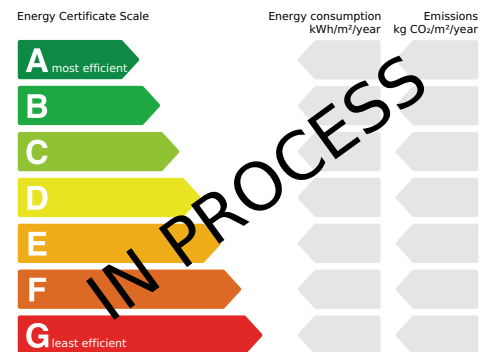

The property has further potential for improvement with an intermediate floor between the garage and the ground floor with an area of 200m² which is unfinished. Many further bedrooms could be added within this space.

This stunning and unique house would appeal to large families as well as investors, and would make a perfect luxurious hotel.
