OVERVIEW

Family home with a separate apartment and a garden for rent in the Los Monasterios residential area, with access to the Los Monasterios social club.

Beautiful family house in a modern colonial style located in the Los Monasterios residential area, near the Calderona mountain range, the international schools and the beach. You can enjoy the services of the Los Monasterios social club, with its swimming pools, restaurants, tennis and padel courts, etc.

This house was built in 2006 and is situated on a large plot of 1,041 m² with a built area of 442 m², with two terraces that are distributed between the ground floor and the first floor and total 50 m². It also has a nice garden of 80 m² with fruit trees, such as a fig tree, an apricot and a cherry tree.

The house is rented furnished and in good condition, ready to move into and with beautiful mountain views, as it is close to the Calderona mountain range. It consists of two floors plus an annex with an independent apartment. On the ground floor of the main house we find the living room, the dining room, the kitchen, 3 bedrooms, 3 bathrooms and a terrace. The first floor has high wooden ceilings with parquet floors, and has 2 bedrooms, a bathroom and a reading area. There is also a second terrace.

On a separate floor is the completely independent apartment. It has 3 bedrooms, a bathroom and a fully equipped kitchen with a fridge, washing machine, microwave, etc. It would be perfect to accommodate an independent family member for example. It could also be used to house the service personnel.

This house would be ideal for families due to the access to the excellent facilities of Los Monasterios and its proximity to all services and international schools.
