OVERVIEW

Spacious, traditional style 4-bedroom house with a pool in the charming village of Puigmoltó, Sant Pere de Ribes.

This traditional-style property is a high quality, modern construction as it was built in the year 2000 in a historical style that is in keeping with the surrounding properties. It is found in Puigmoltó, a lovely, historic and peaceful village very close to Sant Pere de Ribes and Sitges. Public transport is very closeby as are 3 international schools.

On passing through the front door we immediately enjoy a charming view of the garden and pool to the rear of the house. The open plan living and dining area are straight ahead, leading out to the garden, and the living area opens out to the large open plan kitchen to the left which also has access to a shady porch and the garden area. There is a guest toilet on this floor as well as a private garage which is used for storage and as a laundry room and, connected to the entrance hall via a wooden door. Outside we find a very pretty courtyard garden with a pool and shaded area; a rare luxury in this area.

Stairs lead up to the first floor where we find a very large master suite with a spacious bathroom and bathtub. The bedroom has access to a good sized terrace on one side and a balcony on the other. There is another large double bedroom with terrace access on this floor, as well as a mid-sized double which is currently used as an office, and a smaller bedroom with a built-in wardrobe and desk; ideal for an office or a child's bedroom. We also find a second large bathroom with a bathtub on this floor. Every bedroom has spacious fitted wardrobes and terrace access, with views of the lovely iconic village rooftops, the lush garden and the surrounding nature.

In the basement level we find a large, attractive, multi-use space ideal for various activities such as home cinema, music room, TV area for children and a gym for example.

Additional features of the home include central heating, a dedicated storage area and very high ceilings
