OVERVIEW

Completely renovated villa with 7 bedrooms and 4 bathrooms, with sea views for sale in the best area of Vallpineda. Wonderful summer dining room with chill-out area and pool.

Fully renovated rustic villa with classic elements and spectacular views over the sea and the entire town of Sitges. All the carpentry of the house is the original, which gives it a rustic touch with a lot of charm.

Upon entering the house, we find an open living-dining room and kitchen that connects with a very large terrace with panoramic views over Sitges and the sea. The living room has a rustic fireplace. On the same level we have the laundry area and the pantry.

From the living room, stairs take us to the first floor, where there is a bedroom with its own bathroom and private terrace, as well as a second double bedroom and another bathroom. On the upper floor is the wonderful large master bedroom, ceiling with wooden beams, dressing room and bathroom. From this bedroom we enjoy incredible views of the sea.

On the lower floor we find four double bedrooms and a spacious complete bathroom.

The highlight of the house is the garden, which has a kitchen and a summer lounge that is open to the lawn and the pool. It is an incredible place to enjoy pleasant family evenings with family or friends. On the same level of the garden we find a bathroom, a cellar and the garage with capacity for two cars.

It is a truly unique home due to its size, views, location and price.
