### OVERVIEW

**Very rare opportunity to acquire an impeccable seafront building with 3 apartments and 4 parking spaces in the most exclusive central area in Sitges. Also possible to acquire the apartments individually.**

This is a golden opportunity to acquire a beautifully finished high-end property in an enviable Sitges location, between Sant Sebastian and Balmins beach. It is right on the seafront and very central, yet peaceful as there are no bars or restaurants on this stretch. The best restaurants are just 2 minutes away on foot.

Only 4 years old, the building is presented in pristine condition, with top of the range fittings and finishes, a lift and 4 parking spaces.

There are 3 apartments within the building and the client has the option to buy 1 or 2 properties or the entire building. These properties include a ground floor duplex with a courtyard, a first floor apartment with a terrace and a sensational duplex penthouse with terraces and a rooftop solarium with a jacuzzi.

A truly unique luxury property.
