Penthouse with terraces and sea views for sale in San Sebastian, Sitges

2-bedroom 60 m² penthouse with 3 terraces totalling 100 m², offering incredible sea views, very close to San Sebastian beach and the centre of Sitges. Underground parking space included.

Penthouse apartment in an unbeatable location for sale, just a few metres from San Sebastian beach and from the centre of Sitges.

The property is accessed via a lift to the top floor of the building. We enter directly into a well-appointed living room-dining room. At the far end we find a sunny double bedroom with windows looking out to a 28 m² terrace with sea views, where you can enjoy the sunrise. There is a laundry area leading off of this terrace.

To the right of the front door is the second, smaller bedroom with ample fitted wardrobes. There is a fitted kitchen which has been separated from the living area and can very easily be reopened.

A second large terrace is accessed from the opposite side of the apartment and it enjoys afternoon sun. It has fitted storage and provides plenty of shade. From this terrace, a spiral staircase leads up to a vast roof terrace, almost the size of the entire apartment below. The views are spectacular, taking in the beach, sea and Port of Aiguadolç to one side and the mountains and the church bell tower to the other. The terrace is an ideal place to host parties or simply enjoy the sunny local climate.

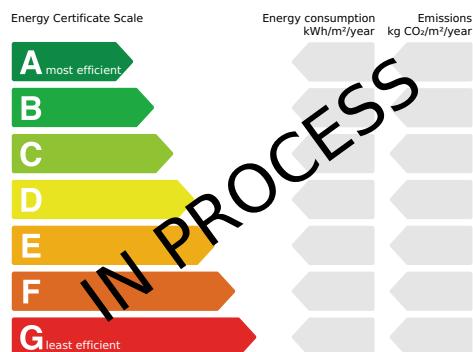

The property has gas central heating, air conditioning, and an alarm system, as well as an underground parking space.

This attractive property features a nautical theme with arched and circular windows, and would make an enviable weekend or holiday home by the sea.
