Rustic village house with views for sale in Sant Pere de Ribes

Charming and cosy Spanish style home with a stunning roof terrace for sale, short walking distance to all amenities in Sant Pere de Ribes.

This south facing village house situated at the top of one of the original old streets of Sant Pere de Ribes with fabulous views of the surrounding countryside, especially from the excellent roof terrace. Recently built in a traditional Spanish style, the property boasts wooden beams and floor tiles which add character to this immaculate home.

We enter the house through a gate a few steps up from street level. To the left of the hall is the traditional kitchen with wooden fittings and to the right a bathroom. The cosy living room has a fireplace and double glass doors which open to a private sheltered courtyard.

Stairs lead up to the first floor where there are 3 good-sized bedrooms, all of which have fitted wardrobes and a family bathroom.

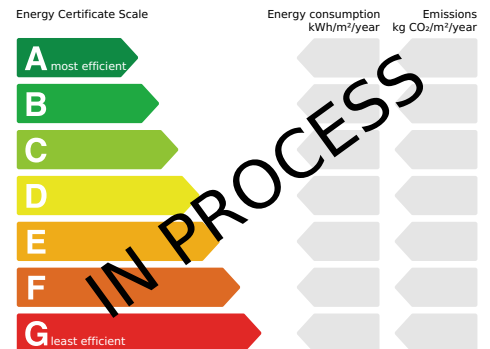

A highlight is the top floor where there is a second, large living room which has access to a partially covered terrace with beautiful views of the village and surrounding countryside. This space could be turned into an impressive master bedroom with en-suite bathroom.
