OVERVIEW

Beautifully finished penthouse with a large terrace just one street back from the beach in Sitges.

Stunning penthouse in a fabulous new development of 18 homes, just one street back from the beach. This spacious and light apartment is the perfect place to make the most of Sitges' enviable climate thanks to the large private terrace and beautiful rooftop communal areas, including a swimming pool, all in a secure building with parking and a fitness room in the basement.

On entering the property sliding doors to the left of the hallway lead to an open-plan living-dining area with access to a large, south facing decked terrace measuring 44m² which runs the entire length of the property. The separate modern kitchen also benefits from access to the terrace and has a built-in Siemens oven and microwave and induction hob plus an independent laundry area.

The hallway leads to a family bathroom with a shower and two single bedrooms, one of which could be used as a study. The master bedroom, with terrace access, built-in wardrobe and en-suite bathroom with a rain shower completes the property.

This penthouse would appeal to buyers seeking a primary residence or second home in the centre of Sitges. Also interesting for investors looking to achieve a healthy return on their investment. There is the possibility to purchase this apartment furnished as well as the option to buy a secure parking space in the building
