Modern family home for sale in Els Cards, close to Sitges

Detached house with excellent outdoor space and panoramic sea and mountain views, for sale in a quiet residential neighbourhood close to Sitges.

Built in 2006, this detached, contemporary property is set on a plot offering unbeatable sea views towards Sitges and overlooking protected green land with vineyards.

The house features both a front terrace and a rear garden- with the possibility of installing a swimming pool- and a covered terrace accessed from the kitchen and living room.

We enter the house via a garage with stairs which lead up to the first floor, or alternatively at the side of the house you can enter the main entrance. Here we find the spacious living-dining room and semi open kitchen. This floor enjoys access to the large exterior terrace to the front and the rear covered porch and garden with panoramic views. On the same floor we find the master bedroom with en-suite bathroom and two addition double bedrooms, which share a family bathroom.

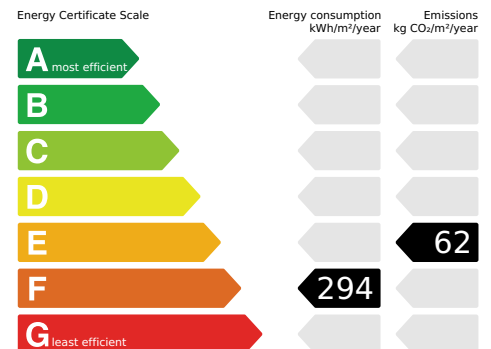

The top floor offers a large second lounge with a terrace with spectacular views. If desired, this room could easily be converted into a fourth double bedroom with en-suite bathroom.

An ideal opportunity for families thanks to its proximity to international schools, or those seeking a second home close to Sitges.
