OVERVIEW

Mediterranean style 5-bedroom villa with sea views for sale in the best area of Vallpineda. Wonderful summer dining area with chill-out zone and pool.

This light filled villa preserves classic features such as wooden beams and clay floors, overlooking the sea and the entire town of Sitges. The whole house is south facing and therefore enjoys light and sun all day long.

As we enter the house there is a large hall that leads to a spacious living room with fireplace and access to the summer porch with a chill-out area and the swimming pool.

On the same level we have the kitchen, utility room and pantry. From the kitchen, a service bedroom with bathroom, in which there is currently a sauna, is accessed. The kitchen opens directly onto the garden and the barbecue area.

At this level there is also access to the parking area, large enough for 2 cars, and the very large basement which would make an ideal storage room, cellar or pantry.

On the first floor there are 4 double bedrooms, 2 of which have an en-suite bathroom, and a third bathroom that serves the 2 remaining bedrooms. The 2 bedrooms with en-suite bathrooms and one of the other bedrooms have direct access to a large terrace that enjoys wonderful views of Sitges and the sea.

The porch and the garden, with a summer lounge open to the lawn and the pool, are particularly impressive. An incredible space with total privacy, perfect to enjoy summer evenings in the company of family and friends.

A unique home given its size, views, location and price.
