Semi-detached corner house for sale in Mas d'en Serra, close to Sitges and Vilanova

Mediterranean-style house with tourist licence and independent apartment, for sale 5 minutes from Sitges.

It is a traditional-style house just 5 minutes from the beach and the centre of Sitges. It has a nice garden and offers the possibility of having a swimming pool since the hole is already made and it would only be necessary to finish it off and install the corresponding machinery.

The main floor of the house has the living room with a fireplace and access to the front porch, which enjoys sun all day. On the same floor we find a large bright kitchen, a double bedroom that can also be used as an office, and a bathroom.

On the first floor we find a second living room also with a fireplace, a double bedroom and a bathroom. From the living room you access a large sunny terrace with unobstructed views.

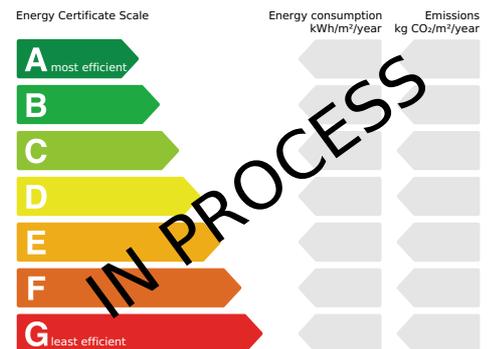

On the ground floor there is a large apartment that is ideal to rent to tourists or to accommodate family or friends. The apartment consists of an open living-dining room-kitchen, two double bedrooms and a bathroom. In addition, it has independent entrance from the garden.

A beautiful house that is especially attractive for families with children or for tourist rentals, as it is close to the beach and Sitges.
