OVERVIEW

Charming country-style property in a peaceful area yet near to amenities.

This charming Catalan townhouse is for sale in the oldest part of Sant Pere de Ribes, just a short drive or bus ride away from the bustling international beach town of Sitges. The property is located on a small, quiet street, close to amenities, in a well sought-after area of the village for its attractive historical character, tranquillity and convenience.

The house, built in 1900, was bought by its current owner in 1987 and has been renovated over the years. The owner has maintained the rustic charm of the property with its wooden ceiling beams, antique terracotta flooring and 2 delightful fireplaces. Upstairs we find 4 bedrooms, one of which has an annexed room currently used as an office. Outside we find a picturesque south-facing patio with plants, a table and chairs.

This unique property would appeal to retirees or a young couple looking for a characterful home or second residence in a peaceful yet well connected area.
