OVERVIEW

355 m² villa with 5 bedrooms, a swimming pool and amazing sea views for sale in La Levantina, 5 minutes from Sitges.

Designed by an architect from the Gaudi School, and built in the late 90's, this large modern villa is found in the prestigious La Levantina residential area of Sitges; 5 minutes from the beach and centre by car.

It enjoys amazing sea views and abundant sunlight and warmth all throughout the year. On entering the property we find the separate 2-car garage with a toilet and stairs leading towards the house.

Before arriving at the house we find the attractive swimming pool on the right hand and on the left there is a special room with a sauna, bathroom and gym.

Continuing up the exterior stairs we arrive at the beautiful terrace with amazing sea views. Here we may enter the house and have, on the right hand, the living room and on the left, the dining room and a door leading to a toilet, one of the bedrooms and the kitchen.

On the second floor, on the left hand side, there is a small living area and a door leading to the master bedroom with a walk-in closet, a private balcony facing the sea and the private toilet, bathtub and a shower; also with sea views. Moving on we find a double bedroom with a bathroom just outside and that shares a terrace with one of the remaining 2 double bedrooms which share another bathroom.

A fantastic, spacious, modern, 5-bedroom villa with a pool and sea views in La Levantina, 5 minutes from Sitges beach and centre.
