OVERVIEW

Family home or holiday residence with 4 bedrooms, community pool, private garage and garden for sale in a small residential community in Levantina, a short distance from the centre of Sitges and the beach.

This property is located in a small residential complex consisting of nine semi-detached houses that share a communal pool. The complex is in the lower part of Levantina, a short distance from the beach, the port of Aiguadolç and the town centre.

Upon entering, we find a modern kitchen on the left, as well as a spacious living-dining room, located on this same level. The living room boasts a cosy fireplace and leads to the sunny south-facing garden with a covered terrace, built-in barbecue and chill-out area. In the living room we also find a door that descends to the private garage, where we have the laundry area.

The first floor houses the south-facing master bedroom with a terrace, a private bathroom and large built-in wardrobes. This floor also consists of a family bathroom with a shower, a double bedroom with nice hill views, and a smaller single bedroom.

Upstairs, on the upper floor, we find a beautiful second master bedroom with a dressing room and a spacious bathroom with a hydromassage bath. This level offers sea views.

The house is in good condition with solid wood floors as well as high quality hardwood window frames. It is equipped with central heating and air conditioning.

It is presented ready to move into and would be an ideal family home or sunny holiday residence in a quiet setting, but close to the centre of Sitges.
