OVERVIEW

Mediterranean style with modern interior, semi-detached 4-bedroom house with stunning sea views, just a few minutes from the centre of Sitges.

Built in 2004, this smartly refurbished house has kept its Mediterranean style façade whilst having a new, modern interior. It has a lovely front garden and patio to match. The property is located a 20-minute walk to Sitges beaches and town, and provides wonderful sea views in a peaceful, residential area.

The 3-storey house consists of a spacious living-dining room, kitchen and bathroom, on the ground floor. On the first floor we find 2 double bedrooms, 1 of which has a balcony, and the other large bathroom. Finally, the second floor is made up of 1 large bedroom with access to another terrace.

There is the potential for a 3rd bathroom to be added to the bedroom on the top floor. The house has plenty of natural light and comes with a garage for 2 cars under the house.

Its proximity to both Sitges and the coast makes it ideal for either families or second homers. Alternatively, the house offers excellent rental income year round, making it a great opportunity for investors too.
