OVERVIEW

Traditional detached house in impeccable condition with some sea and mountain views in Mas d'en Serra, 5 minutes' drive to Sitges centre.

This delightful detached family home has a charming traditional-style exterior with a large private garden with a pool and barbecue and is located in the Mas D'en Serra neighbourhood, just a few minutes from the centre of Sitges.

We enter the entrance hall on the ground floor and are presented with the staircase, a beautiful stained glass feature and the guest bathroom and double bedroom on the right. Further along on the right there is the kitchen providing access to the garden. On the left side we find the attractive living-dining room with a fireplace and which provides access to the glassed-in terrace.

The stairs provide access down to a large private garage with enough space for 3 cars. Upstairs we find the master bedroom with a bathroom and a walk-in closet and a terrace. Through the corridor we find another bedroom which is currently used as an office, a bathroom outside shared by this room and the other very large bedroom. All bedrooms are exteriors with windows and the house is presented in move-in condition throughout. What's more, the property enjoys its own water supply.

It would appeal to families, second homers and investors as it could be rented on the summer periods with an excellent rental income due to the size of the property.
