Modern, detached 3-bedroom house for sale in Olivella, Sitges

Lovely, contemporary 3-bedroom, 3-bathroom house with a garden and swimming pool in the quiet residential area of Olivella.

This detached house, built in 2008, has a large garden and a swimming pool, which is surrounded by a large decked area with enough space for outdoor dining. From the house you can enjoy wonderful views of the garden and nearby woodland. The property can be found in a peaceful residential area and also benefits from off road parking.

The house itself is made up of a spacious open plan living-dining room, modern kitchen and bathroom on the ground floor. Upstairs, you will find a large en-suite double bedroom, a double bedroom with access to a terrace and a final single bedroom. There is also 1 further bathroom.

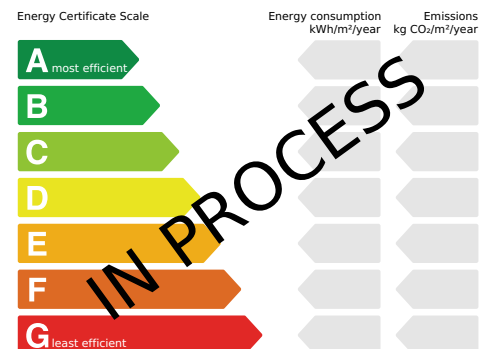

The house comes equipped with a modern heating and air conditioning system and benefits from an abundance of natural light. As a result of being built in 2008, this property does not need any renovation and is ready to move in.

Due to its prime location and privacy, the house would be ideal for second homers and families, as people can enjoy the tranquility of their surroundings in private, whilst staying close to the centre of Sitges.
