OVERVIEW

Wonderful 5-bedroom apartment across 2 floors with 2 large, private terraces with jacuzzi for sale in Mas d'en Serra, Sitges.

This incredible property is one of the largest apartments in the area with up to 150 m² of large terraces and a livable area of 200 m². The apartment enjoys amazing sea views and boasts a jacuzzi on one of the terraces. The property was built in 2005 and has been recently refurbished, as a result it is ready to move into.

It is located in a secure gated community with sea views and easy access to international schools and the coastal towns of Sitges and Vilanova. It has a manicured communal garden with a very large infinity swimming pool.

We enter the property and to the right there is an en-suite bedroom with a hydromassage bath, access to the large terrace and stairs leading you to the lower floor. Straight from the entrance is a corridor, off which you can find a bathroom with a hydromassage shower to the left, and to the right, a small office, which could be used as a bedroom if needed. At the end of the corridor is the open plan kitchen and living-dining room which also has access to the terrace.

On the lower floor are 3 double bedrooms (1 is an en-suite with hydromassage shower). There is also another shared bathroom with a shower. One of the bedrooms also has access to the terrace where the jacuzzi is located.

The apartment has air conditioning, heating and an integrated music system throughout as well as large, double glazed windows, allowing for plenty of natural light. It comes complete with a storage room and also 2 parking spaces.

This is an opportunity not to be missed as this apartment would be perfect for families, second homers due to its incredible size, views and location. The property would also be a great chance for investors as it offers great summer or long term rental income.
