OVERVIEW

Mountain style family house for sale in a residential area close to all services.

Exceptional house located in one of the residential areas to the west of the city of Tarragona, with a wide range of services on offer.

This 2-storey house stands out for its unique exterior architecture and its interior layout, in which the use of wood is a common theme throughout. This gives it a marked mountain style, although it is only a step away from the city.

The ground floor consists of the living room, kitchen, master bedroom with dressing room, private bathroom and access to the terrace and pool area, a single bedroom and a bathroom. Some wooden stairs lead us to the upper floor, where there is a multipurpose space with access to a terrace. Currently this space is used as a bedroom with 2 single beds, but could be adapted to the preferences of the new owner.

In addition, the house has a garage area, which is currently allocated to storage space, and also has an adjoining house, which was the first home of the family.

The warmth of the materials, the spacious and bright rooms, and the open and bright kitchen just steps from the pool, together with countless details of quality and exquisite taste, give this house a personal charm.

Do not hesitate to call us to arrange a visit to this cosy family home.
