OVERVIEW

This spacious apartment, in need of some updating, is for sale in the exclusive area of El Pla del Remei, with 4 double bedrooms and a large living room with bay windows and a street-facing balcony. It includes a parking space in the same building.

This spacious and bright, 176m² apartment to update, is in El Pla del Remei and is surrounded by all amenities. It can be found in a 1980s building with a recently renovated entrance and communal spaces. Furthermore, the price includes a parking space in the garage of the same building.

We enter the apartment into an entrance hall that gives access to the spacious living-dining room, split into two areas. This room has a balcony and large bay windows with wooden shutters on the street side. Next to this is the large kitchen with access to a small gallery.

To the right of the living room is a corridor that takes you to the night area, which consists of 4 double bedrooms. Two of the bedrooms are en-suite, whilst the other two share a third bathroom. All the bedrooms are large and have built in wardrobes.

The living room and 3 bedrooms have views of the street, while the kitchen and the final bedroom look over the interior patio.
