OVERVIEW

Property to renovate in a corner building on one of the most emblematic streets in the neighborhood of Pla del Remei.

Large property to renovate in a rationalist building. With a rectangular layout, barely any corridors and 5 windows onto the façade, it offers exceptional renovation potential.

Previously a medical centre, the property requires full renovation and a new distribution is necessary. The house does not have a kitchen, but it does have 2 bathrooms, one large and one smaller. With renovation, the apartment could offer up to 4 well-sized bedrooms, given that it measures 195 m².

The large number of windows onto the façade and its large dimensions make this an ideal renovation option for those who want to create an apartment perfectly suited to their requirements.
