Wonderful 5-bedroom apartment of 135 m² to renovate for sale in Ruzafa

Property with great renovation potential with high ceilings with mouldings and twelve windows on the façade, for sale in the emblematic district of Ruzafa.

This apartment is located in a building built in 1945 on a very quiet street with little traffic in the Ruzafa neighbourhood.

The property is presented in its original condition and requires complete renovation. It offers many renovation options due to its layout that has hardly any corridors and the 12 windows that it has on the façade. It also boasts beautiful original features that give it a lot of charm, such as mosaic floors and high ceilings with the mouldings in perfect condition. In addition, it offers beautiful clear views and is tremendously bright and cheerful thanks to its location on a high floor and the number of windows.

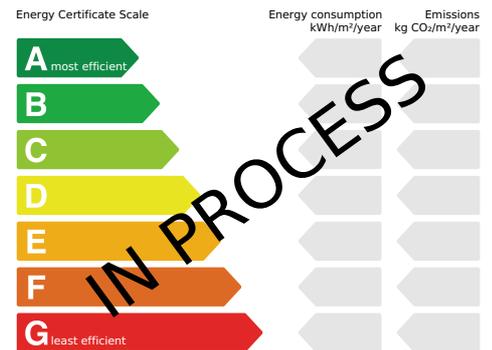

Currently it is organised into 5 rooms facing the façade, a kitchen and 2 bathrooms and another room facing the interior patio. With renovation this could become a beautiful house with 3 bedrooms and 2 bathrooms.
