OVERVIEW

Fantastic 4-bedroom penthouse to renovate with a large sunny terrace and unobstructed views of the city in the centre of Valencia.

This wonderful penthouse of 170 m² with a terrace offers large spaces with high ceilings, which enjoy abundant natural light as the property is on the seventh floor and enjoys a sunny aspect. The apartment is to be renovated and has great potential thanks to its practical layout. A nearby parking space is included in the price.

Upon entering, we find a large hall that leads to the day area that offers a sunny living room and access to a large terrace with wonderful views of the city and the Dominican Church. Moving on, we find a practical office and the kitchen, followed by a service bedroom, a bathroom and a toilet.

The night area is conveniently located in the quietest part of the property, offering 3 wonderful, bright double bedrooms, 2 of which have views of the church in a bright interior patio. A complete bathroom and a spacious storage room complete the home.
