Spectacular modernist 3-bedroom apartment for sale in Gran Vía, Valencia

Bright and charming apartment with beautiful floors and moldings in an elegant, early 20th century building in Eixample.

This property stands out for its unique architecture, its high ceilings and the conservation of its original elements. The large windows allow an abundance of light to enter, and create an exclusive ambience.

The property is in perfect condition and enjoys clear and bright spaces thanks to the white carpentry and the floor tones.

There is a great feeling of spaciousness thanks to the high ceilings.

The exclusivity of this property is evident as soon as you step into the hall. Next to the entrance there are two spacious bedrooms with balconies facing the street. At the most private end of the home there are two further large connected rooms that receive abundant light from a well maintained courtyard. In the centre of the apartment there are complementary rooms and the wet areas, which receive natural light and ventilation through the buildings courtyard.

Sophisticated interior design and furniture to complement the architectural features would convert the property into an exclusive apartment ideal for a family.
