OVERVIEW

Magnificent 281m² apartment fully renovated with first-class materials and a modern and functional design. Garage in the same building and a concierge service.

This 281 m² apartment is on the top floor of a building dating from 1970, located on one of the best streets in the emblematic Pla del Remei neighbourhood. The apartment has been fully renovated with magnificent finishes, large and open spaces, and a very functional layout. All rooms benefit from large windows providing great light.

We access the property via a hallway which leads directly to the huge living room measuring over 50 m², with a large window and closed balcony on the façade which provide plenty of natural light. It is divided into 2 areas and has a large cabinet and white lacquered paneled shelving.

Next, we find the spectacular white kitchen, fully equipped and with a modern and very functional design, with first-class materials and built-in appliances. This room has great storage capacity, and a bench with table and chairs.

On the left hand side of the hall and close to the kitchen there is the service area with separate entrance, a utility area, and bedroom and bathroom.

The night area consists of 3 large bedrooms. The master bedroom, with large windows overlooking the courtyard, is very bright and cheerful and boasts a practical reading room with large closets, a dressing room, and a large bathroom, with a double basin and shower tray.

There are also 2 double bedrooms with large closets, and enough space for a study and games area. A full bathroom with a shower that services these bedrooms completes the space.

Likewise, we have a guest toilet and a multipurpose room that is currently used as a gym.
