## Light and views in this modern corner property with 6 south-facing balconies on one of the most attractive streets in Valencia City.

**Minimalist, contemporary design in this sunny property for sale in an attractive building in Pla del Remei**

A modern design geometric entrance hall leads to the living area and the sleeping area.

The living areas form the corner of the building and appear in the following order: study, living room, dining room, dining area and kitchen; all next to each other. All these rooms have large windows and balconies with views of the magnificent city street below.

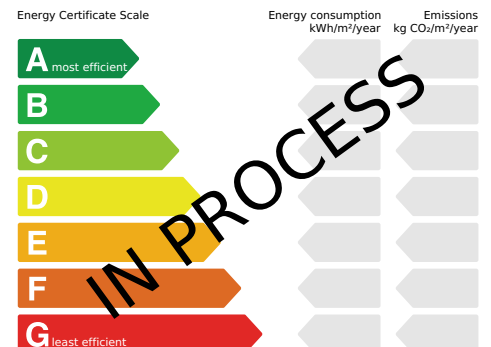

In the centre of the property, yet tucked away, we find a bedroom suite with integrated bathroom and storage space. In front of the master bedroom, there are a further 3 bedrooms facing a large central courtyard which is well cared for.

The central location, the brightness of its rooms and its avant-garde design, make this property the ideal choice for a real city lover.
