Exclusive, bright apartment of 248 m² to renovate for sale on one of the best streets in Pla del Remei

Large exterior-facing property with a rectangular shape located in a 1960s building, with an avant-garde and modern design, in one of the best streets of the emblematic Pla del Remei neighbourhood.

This 248 m² property requires complete renovation and has great potential as it is both spacious and bright. We access the apartment through a large hall and, in front, we find a large living room divided into two rooms, with a large window and a large balcony facing east, so you get the pleasant morning sun. Next to the hall, we find a large room with a window overlooking a patio, which can be used as an office or as a bedroom.

The kitchen area, just in front of the living room, consists of a small kitchen with access to the gallery, a large dining area and a service bathroom. This area of the home needs a restructuring of the spaces, since in recent years the property has been used as a personal office.

To the rear of the apartment, and separate from the day area, we find the night area. It consists of four bedrooms, all doubles, two with large windows in the façade and two others facing the light well. Two full bathrooms, one with a bathtub and the other with a shower, serve the night area.

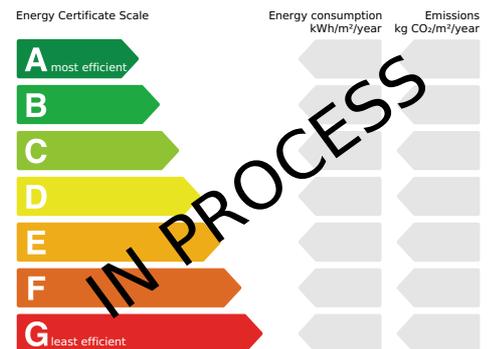

It is a bright and cheerful home, especially the part overlooking the façade, which receives the pleasant morning sun. It also has air conditioning ducts.

It is possible to rent or buy a garage parking space in the same building.
