Wonderful 3-bedroom traditional property for sale in the vibrant Cabanyal area. Totally renovated to the highest standard.

A rare opportunity to purchase this beautiful property built in 1925 in Cabanyal. This property has undergone a full renovation, keeping original features throughout.

Built in 1925. This wonderful 3-storey, 3-bedroom terrace house has undergone extensive renovation to create what is now a wonderful, modern beachside house.

The open plan ground floor allows huge amounts of light and space. High ceilings and high gloss units complement each other very well and the natural materials used throughout this renovation are only of the highest quality.

The kitchen is found at the very end of the living room with access to a ground floor terrace and exterior guest toilet. This unique space has to be seen to be appreciated.

The open bespoke staircase allows maximum room for units under the stairs with metal railings as the safety feature. On level 1 we have bedrooms 2 and 3 with a shared modern bathroom also with access to the first floor rear terrace and the front-facing balcony is also on this level.

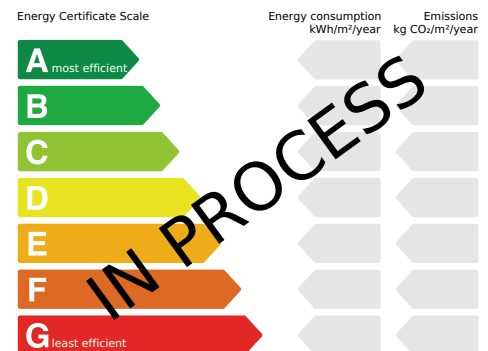

On floor number 2 we have the purpose built master bedroom and private bathroom with the original exposed beams on view and a tilt-and-turn French door allows a cool breeze to run throughout this level.
