Apartment for sale in front of the Turia Gardens, la Seu, in Valencia

Very spacious apartment, in excellent condition, with magnificent views of the Turia Gardens, with a garage in the same building, good quality materials and an excellent layout.

This contemporary building stands out for its practicality and simplicity in an exceptional location. Without a doubt, living in front of the largest green space of Valencia, whilst still living in the city centre, is a luxury and will improve your quality of life. It also offers a pleasant common area and the great advantage of having a large parking space and storage room in the same building.

This is a welcoming, well maintained home.

One of the highlights of this property is the fabulous unobstructed view that it offers, thanks to the wide and numerous floor-to-ceiling windows, but which have excellent insulation. The apartment is exterior facing.

The entrance hall leaves the spacious living-dining room on our left, where we can enjoy the fireplace and the high quality materials used, together with the panoramic views, creating a very special cosy atmosphere. On the opposite side, there is a modern kitchen with all the perfectly fitted elements, plenty of space and a practical gallery with a balcony. This area is bathed in light thanks to its sunny southern aspect. We continue with a bathroom that serves the day area.

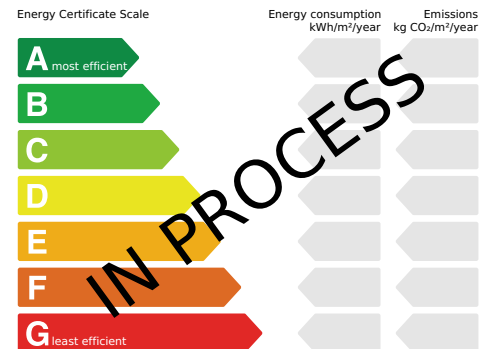

The night area makes good use of the space given its configuration with a small landing and rooms on both sides. It is made up of three bedrooms with large built-in wardrobes and a complete bathroom. And finally there is the master bedroom with a dressing room and private bathroom.

Throughout the property we find air conditioning ducts, radiators, white carpentry, excellent acoustic insulation and newly renovated bathrooms and kitchen, as well as wooden floors.
