Excellent newly renovated 2-bedroom apartment for sale in Ruzafa, Valencia

Renovated apartment with remarkable features such as high ceilings with decorative mouldings, a complete modern renovation and a good layout, for sale in the enviable location of Ruzafa.

Apartment with an excellent renovation, taken care of down to the smallest detail, in which unique elements and modern comforts have been perfectly mixed to create a cosy and private home.

The entrance gives way to a large open space, where the high ceilings with elegant mouldings and exposed brick stand out. In this key space of the home, the living room and kitchen are located, fully equipped and open. It offers a pleasant eastern light and cross ventilation so that we may enjoy this space on a daily basis. A modern toilet serves this day area and marks the line of passage to the night area.

In the night area, we find a bedroom with an exposed brick wall, a built-in wardrobe and windows that provide plenty of light and open onto a large block patio. With the same orientation, the main bedroom is presented, again with striking modernist elements that give it that special character. The modern design built-in bathroom gives us total privacy.

The apartment is equipped with wooden floors, metalwork, pre-installation for air conditioning, storage space, carefully planned lighting and white lacquered doors. These are just some of the many details that demonstrate quality and care that has been put into the home.
