OVERVIEW

Bright apartment with large rooms and pleasant balconies for sale on a corner in one of the main avenues of Valencia.

Upon entering the building, we find pleasant well-kept common areas.

The exterior of the building is magnificent, over looking a corner with large windows and two cheerful balconies that guarantee excellent light.

Once inside the apartment, a large hall welcomes us and gives us access to the rest of the home.

First of all, we find a first single bedroom with a nice balcony. Next, the second room is a double bedroom with wardrobes. Right in front, we will find another bedroom of a very good size. A contemporary style full bathroom is offered to service these three bedrooms. In this interior area, there is also a practical, well-equipped kitchen.

Returning to the street side, we find a pleasant lounge. Finally, the huge master bedroom has a living area, a complete bathroom, a balcony and, as it is large, it could be used as a separate apartment.

The height of the ceilings and the beautiful mouldings make the rooms attractive and stylish.

The good condition of the property is completed with air conditioning in two bedrooms and centralized heating throughout the home.

It is an ideal apartment, both for investors and for a family due to its flexibility.
