OVERVIEW

Stately property with great renovation potential, several balconies and windows over the street, on a quiet street in Pla del Remei.

Magnificent elegant home of 247 m² to be renovated located in a building dating back to 1950 with a single home per floor, so it enjoys a lot of privacy. It is located on a wide, quiet and sunny street of Pla del Remei, just steps away from the Jardines del Turia and very close to Calle Colón.

The property requires complete renovation and has many possibilities thanks to its completely square layout with 5 rooms that are facing the street with large windows and balconies. It still has the high ceilings, the original woodwork and unique stained glass in the hall, allow light through from the courtyard.

We access the apartment via a large hall, and on our right we have a large living room divided into 3 spacious rooms, with windows and south-facing balconies. In total the apartment has 5 large bedrooms, 2 of them with large windows to the street, while the others overlook the very wide light well, so they are also very bright. The kitchen and 3 bathrooms complete the home. In addition, it has a garage in the same building.

This beautiful home would be ideal for families who want to live in one of the most exclusive areas of Valencia.
