## Incredible newly renovated Modernista-style apartment for rent in El Pla del Remei, Valencia

**2-bedroom apartment with high ceilings and original mosaic floor for rent in the Gran Vía del Marqués del Turia.**

Lucas Fox is pleased to offer this exclusive home, which enjoys a brand new renovation in one of the most beautiful Modernista buildings in the whole neighbourhood. The property has been tastefully renovated, maintaining original elements, such as the mosaic floor, which is perfectly preserved, and the solid wood doors, which have been restored.

The apartment is spacious thanks to its position on a corner. It also boasts a large balcony attached to the two bedrooms and the living room.

On entering the home, we find the dining area with the open kitchen, fully equipped with high-end appliances. To the right we have the living room, which receives the morning light from the large windows facing east. Both the living room and the kitchen are connected by two sliding doors, with a room with fitted wardrobes that can be used as a rest area or double bedroom.

Following along the corner we find the master bedroom with an ensuite bathroom. The second complete bathroom, located next to the kitchen, completes the layout of this wonderful home, ideal for the most demanding clients in an exclusive location in the centre of Valencia.

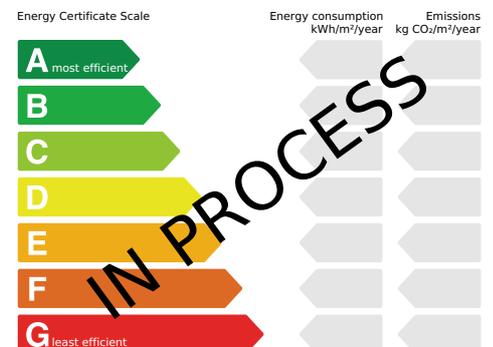

Please contact us for further information.
