Minimum Rental Period: 12 Months.

Elegant and sophisticated home, fully furnished and ready to move into, in the El Carmen neighbourhood.

Upon entering the aparment, a hall separates the night area from the day area. In the day area we find an open plan kitchen with a sophisticated design. The kitchen has a fully U-shaped layout with high quality appliances and plenty of cabinet and counter space. The kitchen opens to a large living-dining room, where the dining room consists of a large glass table and exclusive modern chairs. The living room has two large balconies, through which a lot of natural light enters, creating an open space. A large sofa, next to a coffee table and a comfortable armchair create a comfortable and cozy space to enjoy with friends and family.

The corridor leads to the night area where we find a complete bathroom for visitors, as well as for the master bedroom. The master bedroom is very spacious, has a large number of fully fitted wardrobes and in the corner is a workspace with desk and bookcase.

This unique modern design apartment has a brand new renovation, in which the best finishes and materials have been used. The renovation combines the mixture of modern elements, with characteristic elements of the old buildings of Ciutat Vella: such as balconies with wooden carpentry with shutters and ceilings with wooden beams.
