OVERVIEW

Very bright, well renovated property with designer furniture available to rent in an exclusive neighbourhood of Valencia.

Magnificent apartment of 185 m² located in a building in one of the most exclusive areas of the city, in a residential neighbourhood next to the Jardines del Turia, near schools and shops, and within walking distance of the city centre.

The property is completely renovated, with high quality materials and with a very functional distribution. The rooms are very spacious and bright, as they have large windows facing south.

The property gives direct access to the living room, which has access to a large south-facing terrace. To the left of the living room is the large kitchen, which has an area for dining, and has access to the gallery. From the living room, we access the night area with 4 bedrooms, 2 of which have a balcony and the other 2 facing the light well, all have fitted wardrobes (the master bedroom and the double bedroom have televisions). This area also has 2 complete bathrooms, one with a bath and the other with a shower.
