Excellent 3-bedroom apartment with 2 terraces for rent in Gran Vía

Contemporary style property of 170 m², renovated with high quality materials, for rent on an elegant street at the heart of the Gran Vía neighbourhood, next to Marqués del Turia, Valencia.

Magnificent apartment of 170 m² located in an elegant residential street, in the Eixample area of Valencia. The property has been renovated with high quality materials and offers a contemporary style, with straight lines and fashionable designer materials.

Both the apartment and the building where it is located are in excellent condition, being newly renovated. The apartment has been transformed into an ideal home thanks to a successful interior design project, with excellent flooring and finishes in the kitchen and bathrooms. It has a great layout with spaces that can be independent or open, as needed.

The layout is on a single floor. We enter the property from the centre, where we find a spacious lobby leading to the other areas. Next to the façade is the living room and the dining room, with 2 windows facing the street. Along the central space is the kitchen, a toilet, a bathroom and a bedroom.

The kitchen has a laundry room and opens onto an interior patio, with access to a terrace. The bedrooms, along with a second terrace, are located at this end, facing the courtyard, in the most reserved and private space of the home. The apartment is completed by 2 complete bathrooms, one of which is integrated into one of the bedrooms.

All rooms are very generous and square, including the main living rooms, bedrooms, service areas and storage. Currently, the living room covers a large area, and the master bedroom includes a complete bathroom and a large closet. The property also offers flexibility to join rooms and adapt them as required.

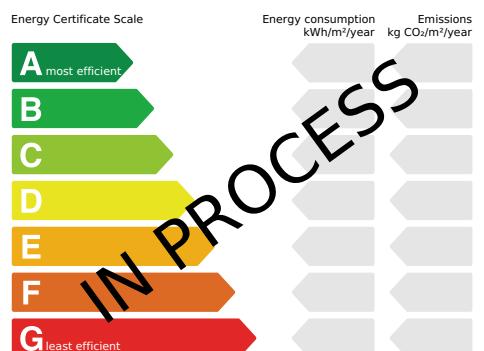

Ideal for a family, with an excellent location and quality design thanks to its large spaces and materials.
