OVERVIEW

Modern renovated 4-bedroom apartment with natural light and great city views for rent in the centre of Valencia.

This apartment is located in a mid-twentieth century building in the heart of central Valencia, very close to the Plaza del Ayuntamiento and the Estación del Norte.

The property is completely renovated in a modern style, and all rooms receive a lot of natural light and offer beautiful views thanks to its large windows.

From the entrance there is a direct access to a very bright and spacious living-dining room that connects with the kitchen through a sliding glass door that gives a great sense of amplitude to the space. The kitchen is fully equipped with brand new appliances.

Then, a small corridor leads us to the 4 bedrooms and a complete bathroom. The bedrooms are all exterior and have large windows with beautiful views of historic buildings in Valencia. The master bedroom has its own bathroom which is spacious and modern.

It should also be noted that all rooms have air conditioning ducts and large wardrobes. In addition, the apartment has automatic shutters and the rent includes a parking space.

A fantastic house in the center of Valencia, ideal for a family thanks to its size and proximity to all kinds of services.
