Traditional Galician country house for sale in Ribeira Sacra

Historical country house for sale in Ribeira Sacra, dating back to 1890. Close to rivers, lakes and several prestigious wineries.

The first stones of this Galician traditional stone country house, date back to the early 1500's. The house was entirely built in 1890 and renovated in 2005 with a built size of 750.00 m² spread over 3 floors, offering several lounges and 6 ensuite bedrooms and 8 bathrooms in total.

The property is fully fenced and private and boasts a beautiful well kept garden with a pool, fruit trees, a barbecue and outdoor dining area and a small forest section on a plot of land measuring a total of 16,500 m². The orientation of the property is south east which means that it benefits from lots of natural light throughout the whole day.

The entrance hall is on the main floor and leads to a dining room, 2 wash rooms, the eat-in kitchen with access to the outside and a lounge with a fireplace.

The first floor provides a breakfast lounge with a fireplace, another lounge overlooking the garden a library and 4 ensuite bedrooms.

The second floor accommodates the master suite and the house also offers service quarters. On the plot we also find a chapel.

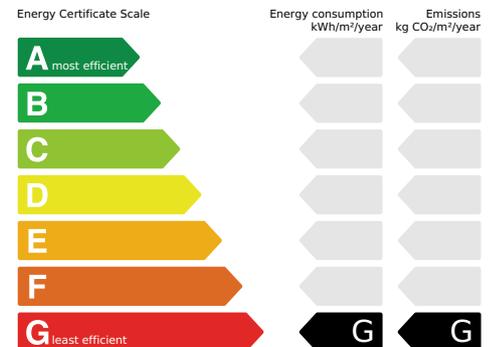

Located in the beautiful area of Ribeira Sacra, one of Galicia's best wine growing areas, the property is a short drive to the lakes, natural parks, and rivers and so represents a good investment opportunity as it may be used for short-term let or run as a small boutique hotel.

A fantastic property to disconnect from city life and enjoy tranquillity in the countryside.
