OVERVIEW

Outstanding apartment measuring a total of 354 m², with 4 parking spaces and two private terraces in Plaza de Compostela overlooking the Alameda Park.

Plaza de Compostela, in the city centre of Vigo, is the most sought after area in Vigo. The property, located on a high floor, benefits from natural light throughout the day and plenty of sunlight in the afternoon and evening time.

With a built size of 354 m² offering 6 bedrooms, 4 bathrooms, parking facilities for 4 vehicles, and two storage rooms, this is a truly impressive property for sale on Plaza de Compostela and overlooking the Alameda Park.

It is found in a landmark building dating back to the early 1900s and completely renovated in 2003, within walking distance of playgrounds, local schools, public transportation and the most fashionable tapas bars, lounges and restaurants in the area.

As we enter the building, we have a charming lobby with two lifts that take us to the apartment in question.

On entering the apartment, we find a beautiful entrance hall. The property is divided into 2 wings, with a large living and dining room in the centre of the home. This section also offers access to the terrace. On the right side, we have 2 double bedrooms, 1 single bedroom, a bathroom and the master suite. The master suite offers its private terrace, overlooking the Plaza, with mountain and sea views.

On the left side, we have a large eat-in kitchen, a small laundry area, a double bedroom and a bathroom. Here we also have a large ensuite bedroom with a study. This room has a private terrace overlooking the Plaza.

The property offers 4 parking spaces and 2 storage rooms. It has been finished with good quality materials and kept in a traditional classic style.

The property has the potential to be divided into two large apartments.
