Traditional Galician stone house with fantastic views for sale in Camos, Nigran

Traditional stone villa renovated in 2005 with excellent quality materials, fantastic views, well kept plot and nice layout, located 25 minutes from the city centre of Vigo.

A traditional Galician type stone house built in 1870 and renovated in 2005 offering a beautiful interior layout, excellent quality materials throughout and situated on top of a hill with excellent views.

The current owners finished the home with the original construction of stone, contrasting it with new materials like concrete and excellent woodworking, preserving original elements such as exposed wooden beams, a wine press and a Galician granary.

The property has a very well kept exterior section with a beautiful plot, an infinity style swimming pool overlooking the mountain views, apart with beautiful fruit trees and well-kept chill-out zones around.

All this makes the property a comfortable space to rest and relax in.

The home is on two levels of space, measuring a total of 363 m² (approx.)

Upon entering the home, you are welcomed by the reception hall that divides this main floor into the day and sleeping area. Towards the left side of the house, you have the eat-in kitchen, the dining and living room with vaulted exposed wooden high ceilings. On the right side of the home, we will find the sleeping section with two good size bedrooms, a shared bathroom and the master ensuite. Lastly, on this floor, we can find a guest toilet, a laundry room and a small chill-out area with fireplace.

On the ground floor, we can find the original wine press, a large lounge, the music room, a home office and a bathroom. A glass gallery provides access to an exterior porch to enjoy gatherings or summer outdoor dining.

In the exterior section of the home, we find an old ruin building structure which can be adapted for a guest house or adding another dining area. Additionally, there is a parking area for two cars, chill-out zones and the swimming pool.

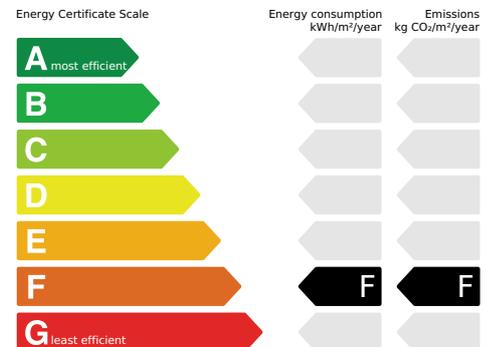

The property has breathtaking views to the valley and the sea, located a short five-minute drive to beautiful beaches of the area.

Generally, a fantastic home that would be suitable for a family or couple looking for a property in a relaxed setting.
