OVERVIEW

Beautiful seafront apartment with direct views of the beach and port for sale in Segur de Calafell.

Built in 2003 and later renovated, this apartment is very bright and is presented in move-in condition with slate flooring and white doors. It enjoys an unbeatable location directly in front of the wide golden sandy beach of Segur de Calafell with stunning sea views.

The property is situated on the first floor of a building with a lift and only 5 neighbours; one per floor. The apartment consists of a very bright living room with access to a sunny balcony overlooking the sea and the port with a little table with two chairs. It has a kitchen with a window that connects to the living room.

The night area originally has 3 bedrooms and was renovated to offer a spacious double bedroom with a dressing room and an ensuite bathroom as well as a single bedroom and another bathroom with a shower.

Upstairs we find a solarium on the rooftop with incredible views of the sea and the port and downstairs in the building is a private parking space and a large storage room.

It is perfect as a second summer residence for a couple with a child or for a retired couple, or as a very attractive tourist rental property.
