OVERVIEW

Beautiful country house with 3 floors, with pool and 16 hectares of fruit trees and private forest.

The farmhouse dates from the 16th century and has been completely restored and equipped with all the comforts. It has large bedrooms, gardens with olive trees and its own forest.

The house is arranged over three floors. From the main entrance there is access to a spacious atrium with a high ceiling, which can be seen from the interior balconies of the two upper floors. There is also a large living room with a fireplace for the colder months, it also has central heating throughout the farmhouse. The kitchen has a large breakfast area and direct access to the garden, where you can collect vegetables, fine herbs and seasonal fruits. The ground floor also has a double bedroom with a private bathroom and a separate toilet. Spread over the upper levels are the remaining seven bedrooms and four bathrooms. Some of the bedrooms boast their own bathroom, while others have a private balcony.

Outside the property we can enjoy panoramic views over the valley and mountains. Here we find a barbecue area, a large swimming pool and a jacuzzi with capacity for five people.

The farmhouse has its own well which is 230 metres deep for drinking water and a 6,000-litre tank, as well as a system of solar panels to generate electricity for the pool and jacuzzi and for the hot water in the house.

The farmhouse complex is fenced and with an alarm system, both indoors and out, for your safety and comfort. The property is near many places of interest and entertainment, just an easy drive away from the fantastic sandy beaches of Calafell, the Port Aventura theme park or the cava cellars in the area.
