### OVERVIEW

## Beautiful villa on a very generous south facing plot in the hills with incredible views across the Mediterranean to the north of Africa and down to Gibraltar.

The La Zagaleta estate is synonymous with quality, privacy and the privileged lifestyle only available in one of the most exclusive neighbourhoods in the world. This villa is constructed to the highest standards with a unique combination of rustic looks and contemporary features.

The property is impressively spacious inside and out, with beautiful manicured gardens and mature trees kept in pristine condition by the automatic watering system. There are various terraces and a lovely pool, overlooked by a huge porch with plenty of space for relaxing, entertaining and enjoying a barbecue.

Double height ceilings and large windows and doors flood the house with natural light, and the rustic terracotta and marble floors and carpentry create an ambience of comfort and warmth as well as high end luxury.

From the impressive hallway through to the huge living areas, sleek kitchen and out onto the terraces, this house is all about space. The bedroom suites are very welcoming, with one on the ground floor and the remaining 3 upstairs, and various seating areas and a kitchenette lounge provide private places to relax.

The upper floor also has a study and sauna, as well as a garage, while downstairs in the basement there is a spectacular wine cellar.

This house is a perfect family home or holiday retreat, with access to the natural surroundings and world class facilities of the La Zagaleta estate, including golf, tennis and equestrianism, the various social hubs, the private heliport and comprehensive on-site security.
