OVERVIEW

Set in the green Andalucían Hills near Marbella, this sophisticated villa enjoys the security and privacy only offered by La Zagaleta. With 5 bedrooms and a relaxing area with spa and cinema room, there is something for the whole family to enjoy.

This stunning home combines the exclusivity and security of the La Zagaleta community with the endless beauty of the lush Andalucían hills and stunning views of the Costa del Sol.

As you would expect from such an exclusive address, the property includes just about everything required to create an oasis of peace and luxury, from under floor heating and home automation to marble floors, a wine cellar and a lift.

It also enjoys easy access to the world renowned facilities of La Zagaleta, including 2 golf courses – one of which this house overlooks – tennis courts and a swimming pool to social venues and even a private heliport.

The sweeping driveway leads to the impressive entrance of this substantial home finished in a contemporary style with a modern twist. The side terraces lead you around the house and gradually reveal the breathtaking outlook, or you can enter and enjoy the views as they open up before you.

The house has extremely generous living spaces, with vast windows and glass doors to harness the views and natural light. The sleek double aspect kitchen and informal dining area is spectacular and opens onto a large dining terrace, while the 5 sumptuous bedroom suites are extremely generous and also enjoy their own outside spaces.

Manicured gardens surround the house, and a range of open and covered terraces are perfect for al fresco relaxing and entertaining, especially the chill-out zone that overlooks the pool and has a fireplace/barbecue to add year-round warmth to the beautiful sunsets.

The house is built for entertainment, with the breathtaking infinity pool overlooking the Serranía de Ronda mountains and golf course, a spa area with indoor pool, steam bath, sauna and gym, and a home cinema worthy of any blockbuster.
