OVERVIEW

Properties with 2 and 3 bedrooms, with terraces and stunning sea views in an ultramodern building on the beachfront. Exclusive common areas and complimentary BMW electric car.

This ultramodern new development is located on the beachfront on the Costa Blanca, a few minutes from the city of Alicante, with connections to the rest of Europe.

These 44 homes with 2 to 3 bedrooms are distributed over 22 floors and all enjoy views of the sea and have terraces. These are very bright homes, with open spaces, large windows and high quality materials. Another highlight is that all homes are delivered with a BMW i3 electric car and a complimentary BMW Cruise e-Bike electric bike. They also include a parking space with electric charger and a storage room.

As for the common areas, this development offers exceptional facilities. It has exclusive garden areas with a padel tennis court and infinity pool, which merges with the sea view. Additionally, it offers a gym, a solarium, a heated pool and a social club, and has a concierge service. In addition, the building has received LEED Gold certification from the United States Green Building Council for its high energy efficiency.

Highlights

- Bright homes with sea views and terraces
- Top quality materials
- Electric car and electric bicycle, both from BMW, as a gift with each home
- Includes parking space and storage
- Exclusive facilities
- Building with maximum energy efficiency
