OVERVIEW

Excellent investment opportunity in San Juan. 3-bedroom apartment just 1 street back from the beach.

This is an excellent opportunity to create a bespoke beachside home in San Juan. The property, which has always been used as a holiday home, has been well maintained and offers great renovation potential.

The current layout offers a corner living area, exterior facing on 2 sides with partial sea views. An interesting option would be to join the kitchen to the living area in order to increase space and light.

There are 3 large bedrooms with built-in wardrobes and windows overlooking the street below. Two bathrooms with baths complete the apartment.

Fantastic potential at a competitive price. Contact us for further information.
