OVERVIEW

Beautiful bright and peaceful house for sale in the nature of Campello, with a very large plot with barbecue, chill-out areas and pool.

Just 100 metres from Muchavista beach and hidden among beautiful trees, is this magnificent home. It is a spacious and bright villa with a modern design, with open plan and very elegant spaces. Upon entering we find a lush garden with 2 chill-out areas and a dining table on the terrace facing the pool. The plot is especially large (it measures almost 1,000 m²) and also offers barbecue, natural grass, a water deposit and parking space for 4 cars.

Through a large window with a sliding door we access the living room of 70 m² with an open kitchen. A wide hallway leads to the other rooms: the master bedroom with a private bathroom, 3 double bedrooms, a dressing room and a bathroom with 3 sinks.

All rooms are exterior-facing and the enclosures have home automation. The living room has 2 air conditioning units and the bedrooms have fans. It should be noted that pre-installation of air conditioning and underfloor heating is done through ducts; the machinery just needs to be installed. The penthouse is also ready to open a staircase from the living room and get another space of approximately 100 m².

A true paradise for lovers of tranquility and privacy. Contact us for more information about this unique opportunity.
