Exceptional villa with views of the beaches of Benidorm, for sale in Sierra Cortina

This fantastic colonial-style 3-bedroom house is a natural window to the Sierra Cortina, offering incredible views both day and night.

This villa, in the Golf Bahía residential area, impresses with its careful design and the large variety of vegetation.

On entering, we find a large hall with a guest WC on the left. From here, we move on to a very spacious and bright dining room, like the rest of the villa, connected to a fully equipped kitchen. The living room is to the left and, like the dining room, offers stunning views and enjoys the sea breeze through the doors which open onto the large terrace. On the terrace, we find the pool and garden. The living room has a fireplace perfect for winter evenings.

The upper floor consists of the master bedroom with a full en-suite bathroom and a very large terrace.

The lower floor includes the night area, which has bedrooms with access to the garden and a bathroom.

The rear exterior area combines a variety of vegetation with a parking space which is connected to the house via a stylish staircase.

The area to the front of the villa is surrounded by trees and plants and has a pleasant pool and beautiful views of an old golf street and Benidorm beach in the distance.
