OVERVIEW

Exceptional villa of modern design with a private pool and garden in one of the most prestigious residential communities on the Costa Blanca.

This fantastic 3-bedroom villa is part of the 3 new build houses project in a quiet street of Sierra Cortina.

On the outside the villa boasts sharp angles and white walls with huge sliding windows allowing for free-flowing interior and exterior spaces.

A tempting 22.5 m² pool is on the right of the garden, on the side of the house which enjoys the greatest sunlight. Two 20m² porches create a shaded area where you can relax at any time of the day.

As soon as we cross the elegant modern and minimalist entrance, we find ourselves in a beautiful garden that surrounds the whole house.

On the ground floor, the house offers a bright and open space including a living room and a fully equipped kitchen perfect for keen home cooks. There is also a spacious double bedroom with modern closets and a bathroom, which has double access being both the en-suite bathroom for this bedroom and the guest bathroom.

Going up the stairs we reach the first floor, with 2 double bedrooms and 2 bathrooms both en-suite. Both bedrooms overlook an incredible 18 m² terrace where you can enjoy the warmth of the sun and views of the Mediterranean Sea.

The house is equipped with air conditioning ducts with inverter system with exits throughout the house. The 600 m² private plot is landscaped with lawns, coconut trees and cypresses around the perimeter, and the entire area has automatic irrigation.

Residents can enjoy all the services of Sierra Cortina, a luxury residential development that offers tranquillity yet at the same time is close to all necessary services, restaurants, shopping centres and 4 international schools.
