OVERVIEW

Dream penthouse with spectacular sea views, in the "Eagle's nest" of the extraordinary Allonbay area.

Allonbay is a private and gated complex of 71 carefully designed townhouses, apartments, duplexes and penthouses with two or three bedrooms.

It is located on an age-old site where, just like the ancient inhabitants of the city of Allon, you can enjoy a bay with turquoise sea and a beach with crystal clear waters. In addition, residents benefit from all the exclusive services of a modern, luxury development: a green esplanade with Mediterranean trees, community pool with lawn and beach areas, indoor water area with spa, heated swimming lane, jacuzzi and Turkish bath, playground and gym.

The second phase of this fantastic promotion, currently under construction, will be delivered in June 2021.

This incredible duplex penthouse measuring almost 200 m² and with a northeast orientation is located in elegant Tower 4. White curves illuminated by the warm Mediterranean sun merge with the discreet luxury of this home. The property was designed for enjoyment of the interior and exterior spaces, thanks to its 100 m² of interior net surface area and 76 m² of terraces.

Upon entering, we find the open plan living-dining room with fully equipped kitchen. In this space, the warm light enters through the large windows. Straight ahead there is a covered 15 m² terrace perfect for relaxing in company. A staircase to the left invites us to discover the wonders of the second floor.

But first, to the right, a corridor leads to 2 bedrooms, 2 double bedrooms and 2 bathrooms, one of which is en-suite. All bedrooms have fitted wardrobes and lots of natural light.

The upper floor offers a great master bedroom with another bathroom and access to the spectacular terrace measuring almost 60 m², which can be used as a garden or sun terrace. A space to lay back and contemplate the stars reflected in the sea or relax in the jacuzzi.

All homes have a parking space in the underground garage of the complex.
